

Bunker Gear Service Order Form

Please use one form per firefighter. If submitting spare gear, use one form per bag.

Unless otherwise specified, it will be assumed that NFPA 1851-2008 compliant cleaning and repairs are requested.

Items received clean may be inspected and repaired without recleaning.

The level of repairs will be in line with the condition and age of gear.

Unless prior arrangements are in place, departments will be contacted if repairs exceed \$100.00 per item.
